## FACT

First total eclipse in 38 years.

## FACT

Most of North Americans were able to see totality.

## FACT

It was a once in a lifetime event.

"There is no science in this world like physics. Nothing comes close to the precision with which physics enables you to understand the world around you. It's the laws of physics that allow us to say exactly what time the sun is going to rise. What time the eclipse is going to begin. What time the eclipse is going to end."

*Nail deGrasse Tyson*

"I thought soccer was a perfect time to get to know the people up at the high school. It was like the soccer team was family."

**Freshman- Brandon Price**

"We had a really good season. We played really good and we had a really good team this year too. We all look at each other like family and we're all going to miss out seniors. Next year I think we will be better because we will all know how to play the game better and we have a really good coach."

**Sophomore- Dakota Workman**

"Soccer was an awesome experience this year. We were pretty competitive and had some good wins including Nicholas County. I loved the team and I can't wait for next year! #BallisLife"

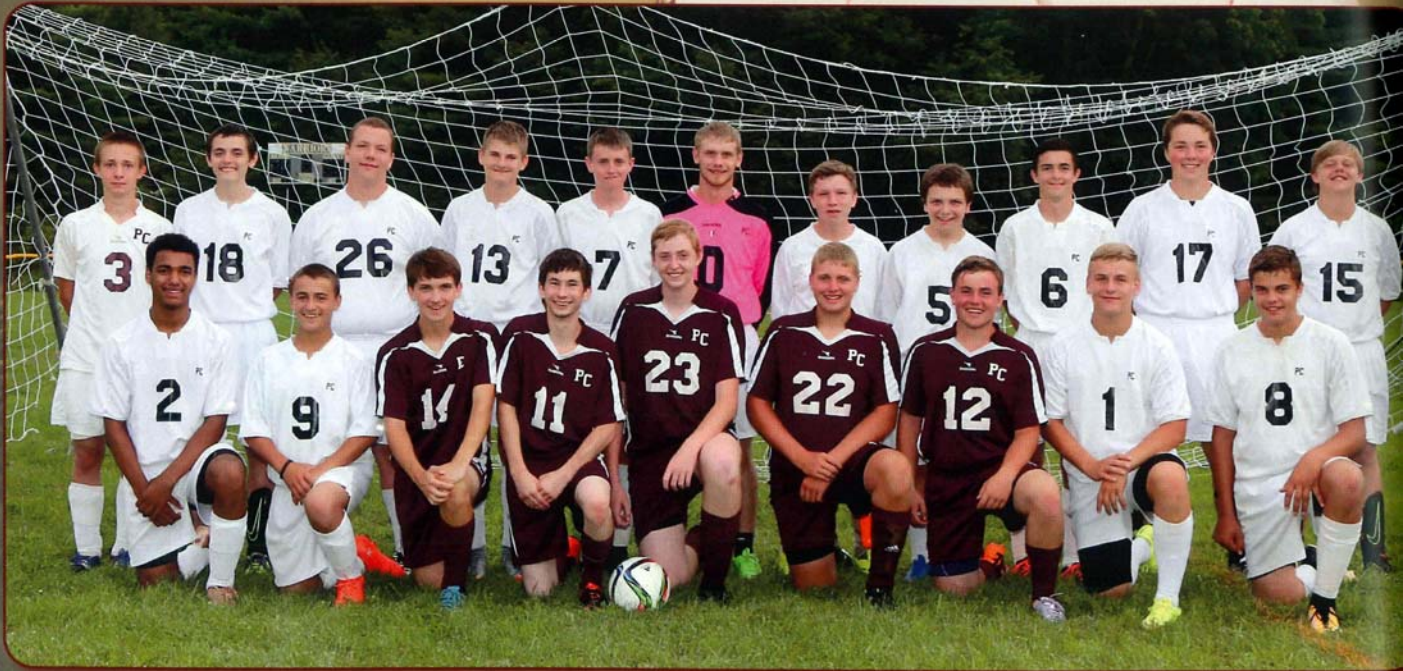

**Junior- Elijah Robertson**

"I think the soccer team made great progress throughout the season and had great team work. I had a lot of fun being one of the captains this year."

"Soccer this year was a lot of fun! I love the sport but I loved getting to play with some of the other girls. I made a lot of new friends from soccer and am excited to play next year!"  
**Freshman- Sienna Bircher**

"The season was fun playing with the girls I enjoy the most. Wishing the girls that are leaving the best. I can't wait to be back out there next year!!"  
**Sophomore- Alexa Taylor**

"It was a fun season of soccer! We all got closer and made a bond I won't forget. Next year will be even more amazing!!"  
**Junior- Marlee McLaughlin**

"My thoughts about the 2017/2018 season was mixed emotions. I have been playing soccer since I was 4 so it's hard to walk away. But I had a great last season with lots of laughs, and great memories."

"My freshman year of cheerleading was pretty great. I was able to make new friends and strengthen the friendships I already had. Plus I had an amazing coach who pushed us to try new things that were out of our comfort zones. My teammates became like my family and I couldn't be more thankful for that."

**Freshman - Chloe Hardesty**

"This cheerleading season was so much fun! I made some new friends and got to spend time with my cheer family. I loved going to practice and spending time with the squad."

**Sophomore - Andrea Rabel**

"I thought that the 2017-2018 cheer season was overall really great! We started out with a really big group/squad but at the end of the season we ended up with 7. We called ourselves the Fab 7 and we became very close! I'm really glad to have finished off this year's season with some of my best friends!"

## Oh, the Places You'll Go!

Congratulations!  
Today is your day.  
You're off to Great Places!  
You're off and away!

You have brains in your head.  
You have feet in your shoes  
You can steer yourself  
Any direction you choose.  
You're on your own. And you know what you know.  
And YOU are the guy who'll decide where to go.

You'll look up and down streets. Look 'em over with care.  
About some you will say, "I don't choose to go there."  
With your head full of brains and your shoes full of feet,  
You're too smart to go down any not-so-good street.

And you may not find any  
You'll want to go down.  
In that case, of course,  
You'll head straight out of town.

It's opener there  
In the wide open air.

Out there things can happen  
And frequently do  
To people as brainy  
And footsy as you.

And when things start to happen,  
Don't worry. Don't stew.  
Just go right along.  
You'll start happening too.

OH!  
THE PLACES YOU'LL GO!
